## Register of people with Significant Control (PSC)

In accordance with Government legislation, as an Academy, we are required to declare a register of people with significant control to Companies House annually or upon any alterations. The register below shows all of the information that is required to be publicised. According to the guidance, *'A company is required to take reasonable steps to contact its PSCs and confirm the information for the register. If someone refuses to provide the information, they will commit a criminal offence. A company may also approach people who it believes have knowledge of who its PSCs are. Failure to comply is also a criminal offence.'*
